

# There's still a lot of tunnel left at the end of the light.

*Because although you've already raised nearly half of what Macmillan Cancer Relief needs to build its new cancer unit next to Luton & Dunstable's A&E unit, it still needs a further million. That's a lot of donations, raffles and bequests. But with your help we will get there. And that new facility will provide improved care and treatment, for a lot of people, for decades.*

## What can you do?

Take part in the 'Raise the Roof' campaign. It's a local campaign with a sole objective: to find the funds to complete the new and much-needed Luton and Dunstable cancer facility. At the moment we're at risk of being overtaken by the builders!

'Raise the Roof' is running a whole series of events over the next few months. To find out how you or your business can participate - and help 'Raise the Roof' - contact Macmillan Cancer Relief for a free (and obligation-free) information pack.

Doug Russell, Bedfordshire Fundraising Manager, Macmillan Cancer Relief, 137 West Street, Dunstable LU6 1SG.
