

Your suitability.

We need to check your suitability so will need to see the following from you. They should be originals but, in exceptional circumstances, verifiable copies will be accepted. In all cases, we will contact the person or authority who has issued the document to establish that it is genuine. You must be able to provide references and/or testimonials from a reliable and suitable source.

- At least 2, and usually 3, references including your current or latest employer or trainer
- Any testimonials relating to your work or other relevant personal or professional merits

In order for us to check that all documents are in order, and that the sources are reliable, we shall follow up checks in every case.

You must hold a current and valid passport to travel to the UK and open a UK bank account.
